Dear Mr. Determan:

This is to acknowledge our recognition of your [REDACTED]  
diesel engine lubricant **77 RAILROAD ENGINE OIL 413E 40** [REDACTED]  
as being worthy of full scale field test in EMD engines.

The compounding of this product with [REDACTED] additive  
concentrate in [REDACTED] identical properties to  
those of another product recognized on this basis and is, therefore, acceptable as a  
rebrand/reblend.

As a result, **77 RAILROAD ENGINE OIL 413E 40** qualifies for EMD's internal listing  
on the above basis and this will serve as recognition of such status.

Sincerely,

D.J. Meyerkord
